EVENT PROGRAM

Welcome racers to the 2017 AJSP Australian Watercross Championships. The AJSBA is proud to once again host Australia's premier PWC racing event in conjunction with our sponsors and Partners. This year our event is being run in conjunction with the Lifestyle on the Water festival and this will see the profile of our sport raised as we compete in front of large crowds of festival attendees.

I would also like to thank our sponsors who are contributing to this event, to add to the atmosphere and help raise the level of PWC racing in Australia. These sponsors are supporting our sport so please show your appreciation by giving them your business, or simply a word of thanks.

We have planned this event specifically for our members to compete and enjoy our sport this weekend, so race hard but safe and have fun.
